Post-Election Breakfast

Wednesday, 5 November 2008, 8.00-10.30
American Corner Innsbruck (Claudiana)

The U.S. elections are one of the most important and seminal events in contemporary history, an event followed all around the world. The outcome of these elections will shape the future of American policy and have effects on countries and people far beyond U.S. borders.

Our post-election breakfast is an informal event at the American Corner Innsbruck and open to everyone interested in following the latest news broadcasts about the election results and discussing the outcome of the elections.

We are offering coffee and snacks on a rolling basis as well as a relaxed atmosphere for Americans and non-Americans to get in touch and exchange ideas.

Looking forward to welcoming you to this ACI event,
Univ.-Prof. Mag. Dr. Gudrun M. Grabher (Director, American Corner Innsbruck)
& Ass.-Prof. Dr. Margaret Davidson (Director, University of New Orleans' Academic
Year Abroad in Innsbruck; Vice-President, Austro-American Society/Tirol Chapter)
