User account application for the High Performance Computing (HPC) systems of the Research Area Scientific Computing in cooperation with the Central IT-Services (ZID) of the University of Innsbruck

This application requires a pre-existing, institute-specific login name of the University of Innsbruck.

Existing login name:

User details

Institute:

Salutation:

Last Name:

Title:

Given names:

Matriculation number:

E-mail:

Telephone:

Project name:

Motivation:

Services and associated service parameters

LEO3(e) ☐ Application ☐ Change ☐ Cancellation **KAT** ☑ B (Power-User)

MACH2 ☐ Application ☐ Change ☐ Cancellation **KAT** ☑ B (Power-User)

The services exist until cancelled or until the associated login name expires.

To be filled in by the Research Area Scientific Computing

Name of the representative:

The representative of the Research Area Scientific Computing confirms that the project satisfies the quality requirements.

Date

Signature of the representative

Signature of the Head of the Research Area:

To be filled in by the applicant

By signing this form the applicant commits to recording his use of the HPC systems in the Research Documentation Database of the University of Innsbruck (FLD, https://www.uibk.ac.at/fld) and in particular to assigning every resulting publication to the Research Area Scientific Computing. The applicant also commits to acknowledging system use according to the template on the homepage of the respective system (see http://www.uibk.ac.at/zid/systeme/hpc-systeme).

The signee confirms to comply with the operational regulations and the terms of use of the University of Innsbruck: http://www.uibk.ac.at/zid/regeln

Failure to meet the above obligations may result in the cancellation of services at any time.

Date

Signature of the applicant

Institute stamp

ZID internal use

Before the account can be issued, a basic usage instruction by the HPC system administration of the ZID is required.
