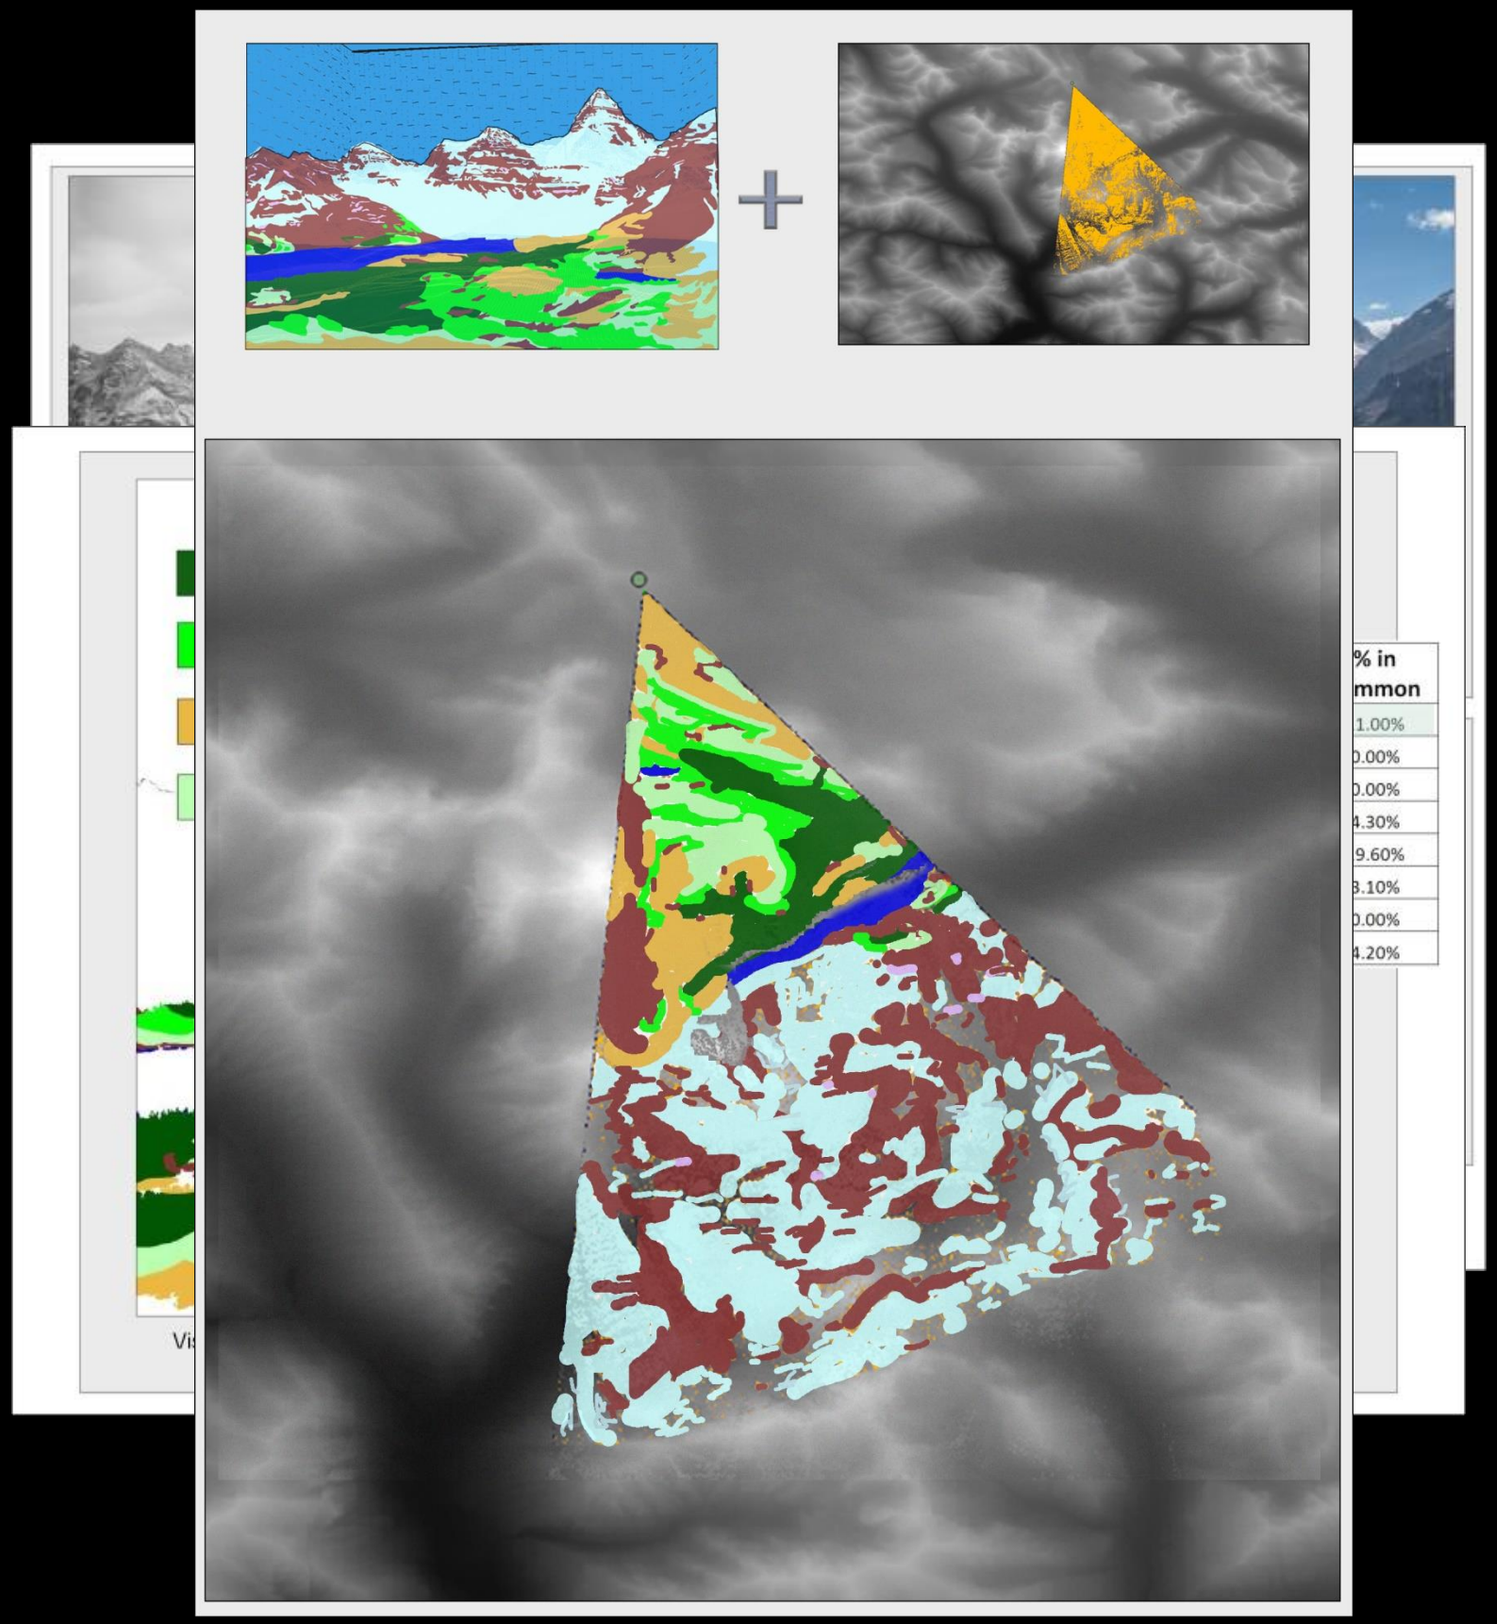
The Mountain Legacy Project

Let the Photographs Speak:
Historic Rephotography in Canada's Mountain West

Mary Sanseverino, MLP Research Associate
James Tricker, PhD Candidate and MLP Research Associate
School of Environmental Studies
University of Victoria
IMC2019: Sept 9, 2019

Many practitioners using the images:

- Ecological restoration
- Forest ecology
- Wildlife ecology
- Wildfire management
- Park & wilderness mngt
- Historians
- Anthropologists
- Geo / fluvial morphology
- Glaciology …



What kind of visualization tools will help practitioners explore, interpret, and discover meaning in the images?

MOUNTAIN LEGACY PROJECT

Process & Collaboration Driven

Come to our Special Interest Session on Tuesday, 8:15 – 9:00 pm in SOWI - HS 1 to learn more!
