Your comments on the reUSE repository:

F– PART

When working with the repository, even small mistakes can sometimes cause serious consequences.	①	②	③	④	⑤
It's important to me to be able to adjust the amount of on-screen information (data, text, graphics, etc.) to my needs.	①	②	③	④	⑤
If I make a mistake while completing a form, I can easily restore everything to its previous state.	①	②	③	④	⑤
No system errors (e.g. crashes) occur when I work with the repository.	①	②	③	④	⑤
If I make a mistake while performing a task, I can easily undo the last operation.	①	②	③	④	⑤
I have never made an entry that caused an error (e.g. a system/program crash or an undefined dialog state).	①	②	③	④	⑤
It's important to me to get email notification every time a new publication is added to the repository.	①	②	③	④	⑤
It's important to me that I can find the documents also in my library catalogue.	①	②	③	④	⑤
