SYMPOSIUM

The transition from military base to civilian settlement in the archaeological record

Dear referents and participants,

we are glad to submit you a preliminary programme and some information about our symposium hosted by the University of Innsbruck in the Atrium – Centre for Ancient Cultures (address above).

We will begin on Thursday, 23rd October in the early afternoon with lectures on the province Raetia. After each lecture of 20 min length there will be 10 min left for discussion. On Thursday evening a ceremonial address will take place. On Friday, 24th October a varied lecture-programme will be provided.

On the last day of the symposium, Saturday 25th October, an excursion to Bregenz is scheduled. There a guided tour to the lately reopened *vorarlberg museum* will be offered. Persons who want to participate in the excursion are asked to report this to the organizers until 15th September 2014 (for the purpose of organizing the transport). There also exist the possibility to travel back home directly from Bregenz subsequent to the visit (rail connections to Germany and Switzerland).

Last but not least we would like to remind you that due to organisational purposes visitors should also announce their attendance before 31st August 2014.

The organizers

Gerald Grabherr / Julia Kopf / Karl Oberhofer
