

6th Workshop on

Management Accounting as Social and Organizational Practice

Copenhagen, 25 - 26 April, 2013

We are pleased to announce the sixth Workshop on Management Accounting as Social and Organizational Practice (MASOP), to be held from 25 April to 26 April 2013 in Copenhagen. The aim of the workshop is to bring together scholars in the field of management accounting and control who share an interest in understanding the social and organizational antecedents and effects of management accounting practice.

As in previous years, the workshop seeks to develop participants' research through critical discussion and to provide a forum for debate of emerging ideas and developments in practice and research. The workshop will feature 10 paper presentations (45 minutes each) and one plenary session. It is limited to 40 participants. Participants other than those presenting a paper are accepted on a first come-first served basis. The deadline for **registration** is **March 5, 2013**.

Submission:

Participants who would like to present a paper should let us know as early as possible. The deadline for **submission of full papers** is **January 15, 2013**. Papers will be reviewed and notification of acceptance (or otherwise) will be given mid February. Preference will be given to papers that relate closely to the theme of the workshop. We aim to create a balanced overall program, in terms of different theories/methodologies and a mix between emerging and more established scholars.
