16:30 - 17:30 CET	Session 7: Experiments with Non-Standard Participants <i>Presenters: Darya Korlyakova, Matthieu Pourieux, and Martina Vecchi</i>
17:30 - 18:00 CET	Break
18:00 - 18:40 CET	Session 8: Experiments with Non-Standard Participants <i>Presenters: Valentina Rotondi and Roberto Brunetti</i>

Session 1: Experiments with Non-Standard Participants

November 18, 12:00 – 13:00 (Chair: Felix Holzmeister)

Healthy, nudged, and wise: Experimental evidence on the role of cost reminders in healthy decision-making

Fakir, Adnan; Bharati, Tushar

Refund bonus for fundraising in large groups using different subject pools

Li, Zhi; Li, Yunpeng

Same same, not different: Client-advisor matching in the finance industry

Rose, Julia

Session 2: Field Experiments

November 18, 13:30 – 14:30 (Chair: Felix Holzmeister)

Taming tech giants' algorithms: What do consumers know (and want)? An analysis of the Amazon Buy-Box Case

Boldrini, Michela; Clavorà Braulin, Francesco

Closing the gender pay gap within firms: Evidence from a field experiment on promoting pay equity

Alfitian, Jakob; Deversi, Marvin; Sliwka, Dirk

Using contact to improve the relationship between the police and the population

Clochard, Gwen-Jiro

Session 3: Field Experiments

November 18, 16:30 – 17:30 (Chair: Luisa Lorè)

Does schooling directly affect political attitudes?

Stelzeneder, Dominik

Autonomy and incentives - A field experiment in discount retail

Manthei, Kathrin; Sliwka, Dirk; Vogelsang, Timo; Kraaij, Sander

Financial education via gamification: Evidence from a large-scale field trial

Dietsch, Marius; Gill, Andrej; Hackethal, Andreas; Hett, Florian; Kosfeld, Michael

Session 4: Experiments with Non-Standard Participants

November 18, 18:00 – 19:00 (Chair: Luisa Lorè)

Removing barriers to plant-based diets: assisting doctors with vegan patients

Espinosa, Romain; Arpinon, Thibaut; Maginot, Paco; Demange, Sébastien; Peureux, Florimond

Political support, cognitive dissonance, and political preferences

Artiga González, Tanja; Capozza, Francesco; Granic, Georg D.

COVID angels fighting daily demons? Mental health of healthcare workers and religion

Barili, Emilia; Bertoli, Paola; Grembi, Veronica; Rattini, Veronica

Session 5: Field Experiments

November 19, 12:00 - 13:00 (Chair: Luisa Lorè)

Workload and economic decision-making: stress versus financial resources

Meng, Jingyi; Zou, Wenbo

Raising awareness through social media - Evidence from a bachelor in economics program

Collin, Frederik; Düker, Julius; Rieber, Alexander

Information intervention to promote safe water consumption: An RCT in areas affected by groundwater arsenic in India

Priyam, Shambhavi; Salicath, Daniel; Sutter, Matthias

Session 6: Experiments with Non-Standard Participants

November 19, 13:30 - 14:30 (Chair: Luisa Lorè)

Different although equal: Inter- and intragenerational differences in corrupt behavior facing Germany's East-West stigma

Auer, Thorsten; Berg, Timo; Hoffmann, Christin

Under pressure: the impact of women's mental load on attention and productivity

Vitellozzi, Sveva; Cecchi, Francesco

Flexible microcredit: Effects on loan repayment and social pressure

Czura, Kristina; John, Anett; Spantig, Lisa

Session 7: Experiments with Non-Standard Participants

November 19, 16:30 - 17:30 (Chair: Felix Holzmeister)

Misperceived discrimination and task performance

Korlyakova, Darya

Distributional preferences of politicians: Experimental evidence

Denant-Boèmont, Laurent; Leprince, Matthieu; Pourieux, Matthieu

Groups and socially responsible production: An experiment with farmers

Vecchi, Martina

Session 8: Experiments with Non-Standard Participants

November 19, 18:00 - 18:40 (Chair: Felix Holzmeister)

What exactly is public in a public good game?

Battiston, Pietro; Gamba, Simona; Rizzoli, Matteo; Rotondi, Valentina

Is redistribution driven by politicians' or voters' preferences? An experimental study with local French politicians

Brunetti, Roberto; Pourieux, Matthieu
