

Innsbruck Winter School on Credence Goods, Incentives and Behavior

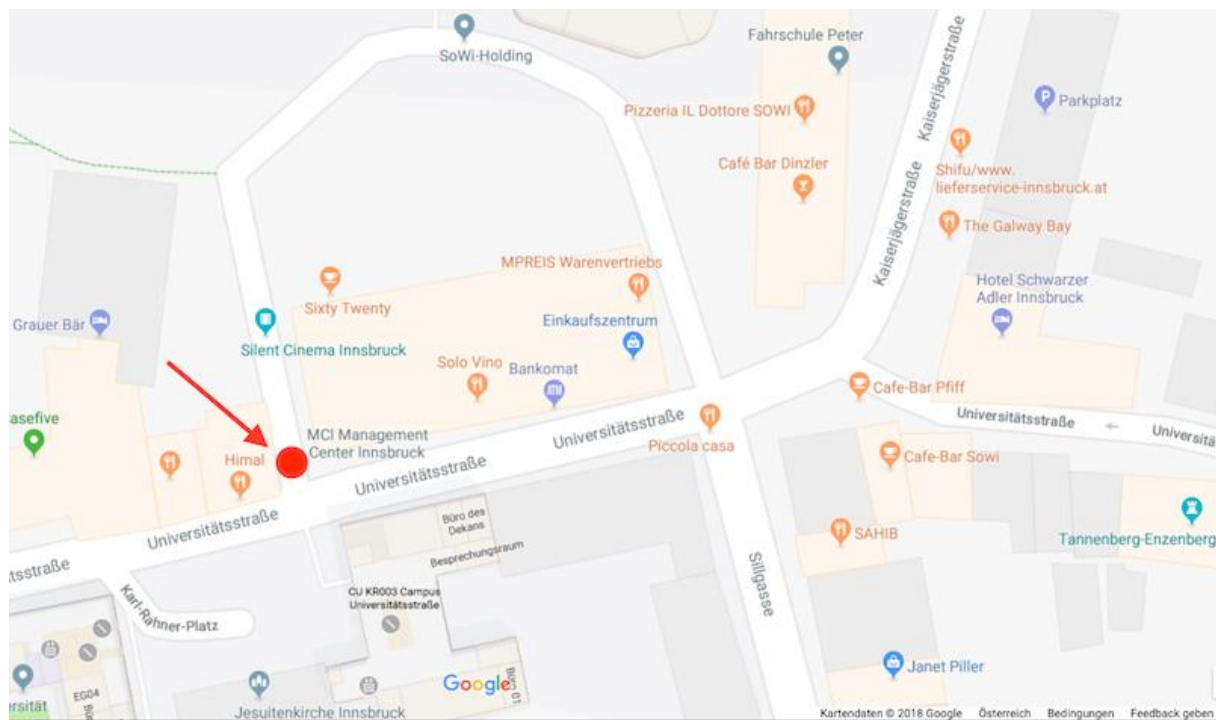

Logistics and general information

Program

The detailed agenda will be provided as a printed version to participants and can be found here: https://www.uibk.ac.at/credence-goods/events/winter-school-2020/2020_program.pdf

Transfer from Innsbruck to Kühtai on March 14, 3pm

The meeting point is Universitätsstraße 15a, next to the entrance of the MCI Management Center (<https://goo.gl/maps/vt4omF5GSCP2>). The exact meeting point is indicated in the picture below. If you drive to Kühtai yourself, you can check in at the Hotel Jagdschloss Resort any time in the afternoon, however, please send a short note that you're planning to do so to tobias.haller@uibk.ac.at

Transfer from Kühtai to Innsbruck on March 21, 10am

The transfer back to Innsbruck will leave on Saturday, March 21 at 10am from the Hotel Jagdschloss Resort in Kühtai and will arrive approximately at 11.15am in Innsbruck. There are also public buses available on an hourly basis in case you want to go back to Innsbruck later. The detailed timetable can be found [here](#).

Presentations

In addition to the input sessions, we have 3 slots available for presentations by participating PhD students. We would therefore ask all PhD students to prepare a short presentation (15 minutes maximum to leave 10 additional minutes for discussion) on their research (ideas). Please inform me on the title of your talk **until February 21**.

Recognition of the course for the Innsbruck PhD Program in Economics: PhD Students from Innsbruck who are attending the course are required to write a short paper (3-5 pages) on a research idea related to credence goods. Information on the detailed requirements will be given at the beginning of the course.

Preparation: In order to prepare for the course, we ask everyone to thoroughly read the seminal paper on the economics of credence goods by Dulleck & Kerschbamer (2006) which you can find here: https://www.uibk.ac.at/credence-goods/events/winter-school-2019/dulleck_kerschbamer_2006_jel.pdf

Skiing/Snowboarding

Prices for ski passes can be found [here](#). The lifts start right next to the hotel. There is also the option to go [night skiing](#) on Wednesday when the lift runs from 7.30pm to 10pm.

Rental equipment

In case you want to do outdoor sports during free time, there are various options to rent ski/snowboard/cross-country/sledging equipment right in Kühtai. The two biggest shops are [Intersport Heidegger](#) (you get a 10% discount there if you tell them that you are a participant of the Innsbruck Winter School/Summit) and [Sport Seppi](#). You can book on-site or online. Please note, that you can usually only rent hardware - no gloves, pants or jackets - which brings me to my last point:

Equipment

... you can leave the rope and ice-screws at home but you should definitely bring warm shoes/pants/jacket and some gloves.

Feel free to also bring your own skis/snowboard/cross-country skis.

Finally, if you have any questions do not hesitate to contact Tobias Haller (tobias.haller@uibk.ac.at).
