

The University of Innsbruck, Faculty of Architecture, invites applications for the position of a

**UNIVERSITY PROFESSOR
OF
VISUAL MEDIA AND ARCHITECTURAL DESIGN
(BILDNERISCHE GESTALTUNG UND ENTWERFEN)**

at the Institute of Experimental Architecture ./studio3.

The position will be based on a permanent civil-law employment contract with the University according to § 98, University Act 2002.

The Professorship in Visual Media and Architectural Design (*Bildnerische Gestaltung und Entwerfen*) is placed at the Institute for Experimental Architecture. The professor will work at and across the intersection of art culture and architecture. S/he will link the visual arts with relevant current approaches to design.

RESPONSIBILITIES

The professor shall represent the field of Visual Media and Architectural Design (*Bildnerische Gestaltung und Entwerfen*) both in research and teaching.

She/he mediates between the free art forms and the discipline of architecture. Corresponding to the concept of “research by design / research by project”, research contents are tested by practical application and evaluated in reality.

Close collaborations with other departments and units of the faculty are expected, as well as transdisciplinarity, and regional and international networking.

Teaching responsibilities include lectures, seminars and workshops, as well as design studio courses at both undergraduate and graduate levels. Additional duties generally include advising BSc, MArch, and Ph.D. students as well as service to the Institute, faculty, and university.

She/he is expected to actively participate in the academic self-government of the Leopold-Franzens-Universität Innsbruck.

QUALIFICATION REQUIREMENTS

- a) a university degree in architecture or equivalent subject from Austria or abroad;
- b) a pertinent ‘Habilitation’ or equivalent qualification in teaching and research demonstrated by significant international projects and/or publications;
- c) evidence of creativity and interest in transdisciplinary research areas;
- d) competence in architectural design and experience in realizing innovative concepts;
- e) international scientific experience pertinent to the discipline;
- f) excellent teaching skills;
- g) experience in obtaining external research funding;
- h) leadership qualities as well as a collegial and collaborative working style;

Applications must reach us at the latest by

March 13, 2017

Please submit your application (electronically – CD or E-mail) to:

Universität Innsbruck, Fakultäten-Serviceestelle, Technikerstrasse 17, 6020 Innsbruck, Austria
(fss-technik@uibk.ac.at).

The University of Innsbruck is committed to increase the percentage of female employees especially in leading positions and therefore explicitly invites women to apply. In the case of equivalent qualifications, women will be given preference.

Applications should include the curriculum vitae with a description of the scientific and professional career, list of scientific publications, list of scientific lectures and other scientific work, list of and description of completed research projects, description of completed and current research activities, concept of future research activities and the five most important works or publications.

The basic salary is set down in the collective bargaining agreement for university employees. Professors are in the remuneration group A1. For the position the monthly salary before tax is € 4.891,10,- (14 x). Depending on qualification and experience a higher salary can be a topic in the negotiations with the rector. Beyond that the university offers attractive additional benefits (<http://www.uibk.ac.at/universitaet/zusatzleistungen/>).

The full, authoritative text (published in the official bulletin of the University of Innsbruck of February 01, 2017) as well as additional information on the current status of the application process may be found at:
