

eLearning Project @ Biology

We hereby announce the call for eLearning Projects at the Faculty of Biology.

Aim: improve IT-supported teaching with regard to the needs of the students as well as the lecturers.

Deadline for online proposal submission: **15.01.2018, 23:59 Uhr**

Please send a short but expressive proposal in English or German (PDF, max. 3 pages A4, regular page margins, 11pts font size) to dekanat-biologie@uibk.ac.at

It has to be clearly stated which types of funding are requested. Costs should be justified based on manpower or offers.

Regulations:

The maximum funding amounts to **EUR 5000.-**

The use of funds is based on a common agreement of the Dean, the Dean of Studies, and the contact person for New Media - Learning Technologies of the Faculty of Biology. Depending on number and quality of submitted proposals as well as the requested funding, one or more proposals are funded **up to a total of EUR 5000.-**

Types of funding: personnel and costs for infrastructure needed to carry out the project; it is further eligible to fund external services based on a contract for services.

Applicants: Any person working at the Faculty of Biology at the University of Innsbruck can apply for funding. It is also not obligatory that the applicant is directly involved as lecturer. However, the outcome of the project must meet the aim of this call.

If any questions regarding existing infrastructure or types of funding arise, please contact georg.leitinger@uibk.ac.at
