# Education Through the Lens of Early Stage Research

Conference for Master's and PhD Students at the Faculty for Teacher Education

April 17, 2026

University of Innsbruck

The conference aims to provide a platform for Master's and PhD students at the Faculty of Teacher Education (University of Innsbruck) to make their research visible and present it within an academic context. The central objectives of the event are as follows:

- To give Master's and PhD students the opportunity to present their research findings to a broader academic audience
- To foster openness to innovative research approaches and diverse methodological perspectives
- To encourage the discussion of different scholarly viewpoints that can contribute to the advancement of educational research
- To promote interdisciplinary exchange among students with varying research foci within teacher education
- To support networking among early-career researchers and facilitate the development of sustainable research collaborations

Master's and PhD students at the Faculty of Teacher Education (University of Innsbruck) are warmly invited to submit an abstract for peer review. Submissions may include completed studies or projects that are still in development.

### Submission Guidelines:

Please send your abstract in German or English (maximum 250 words, excluding references) by **December 15, 2025** to: [flb-ma-phd-tagung26@uibk.ac.at](mailto:flb-ma-phd-tagung26@uibk.ac.at)

Your abstract should include the following:
