By train

To get from the train station to the University take the bus or tram to stop 'Innsbruck Klinik/Universität'. There are several buses and trams that stop at the 'Innsbruck Klinik/Universität' which leave from the main train station. Bus F (Dir. Innsbruck Flughafen) or Bus R (Dir. Innsbruck Rehgasse) have a good and frequent connection. For more detailed information and other bus and tram options, visit the [IVB \(Innsbruck Public Transport\) webpage](#).

- By car

The exit 'Innsbruck West' is closest to the Bruno Sanders Haus. There is a parking lot available in direct vicinity of the University, but an entry chip is needed to enter the parking lot.

Contact us when you are coming by car and wish to park directly at the University building so we can arrange you a chip.

- By plane

When arriving at Innsbruck airport the fastest connection to University is to take Bus F and get off at stop 'Innsbruck Klinik/Universität'. Bus F leaves every 15 minutes. Of course, there are also several taxis in front of the airport.

When arriving at Munich Airport we recommend [Four Seasons Travel](#) for the fastest and most comfortable connection. Otherwise, there are trains connecting Munich Airport with Innsbruck or also the bus company [Flixbus](#) has a connection to Innsbruck.
