ABOUT NCHU

- One of oldest and most prestigious universities in Taiwan with 16,000 students
- The first-eco-friendly campus in Taiwan
- Agriculture and Forestry Studies ranked Top 100 in the world
- Located in the heart of Taiwan, Taichung is the second largest city in Taiwan and host of 2018 World Flora Expo.
- We own the best and most complete agricultural land resources information system (TALIS), providing the up-to-date information about the agricultural land resources in the country.

PROGRAM INTRODUCTION

The courses will provide intensive courses in tea processing (Tea Camp) and beer brewing (Beer Camp), and introductions of Taiwanese cultures and society. Join us for unique experiences in Taiwan in summer 2018!

Highlights:

- Full English Tea-processing or beer brewing courses by professionals and suitable for students of all background.
- Homestay in tea-processing families in central Taiwan (tea processing program).
- Exploration of native tribes in mountain regions
- Introductions of Taiwanese cultures and society
- Interactions/making friends with students from all over the world
