

Go to the Website of the UNO (uno.edu) and search for „Course Catalog“

Click on „Course Catalog“

Here you can see all the Courses the UNO has to offer

for example „Accounting“, choose the Semester that you want to spend at the UNO (Fall = winter semester, Spring = summer semester), if your semester isn't available then choose the previous year, usually the courses are repeated annually

The course description provides the following information:

The name of the course is *ACCT 2100 Principles of Accounting* and will be available in the **Spring Semester 2021**

The Course number (2100) tells you how difficult the course is 2100 is a beginners course (1-2 Semester), and gives the student an introduction into the subject matter and doesn't require any previous knowledge

All Courses up to 4999 Level are Undergraduate (Bachelor) Courses and everything from 5000 are for Graduate (Master) students

There are 4 different times available, please check the **Dates & Times** (Monday-Wednesday-Friday, Tuesday-Thursday or Wednesday evening) to make sure there aren't any collisions with other courses.

America has a 100% attendance policy, even in lectures!

- Room: TBA
- Instructor: Salvador, Debra Ann oder Ryan, Allen Lee (*personal preference, sometimes the professors have personal profiles*)
- Status: as the course isn't available yet all the spaces are available
- Course Materials: sometimes there are required textbooks which you can order/buy at the bookstore, however you can also rent books on amazon

→ **Webstar** is like our OLAT/LFU, after you have created an account and recieved your personal login you can sign up for courses on webstar
