

Present your school during the ISPO Munich 2018.

Join us for the ISPO Munich 2018 from the 28th - 31st of January: We display your school profile & study programs in our job corridor, an unmissable 20 meter long presentation wall. Your poster will be presented to around 85.000 visitors and Human Resources teams from the big players of the sports industry. As our offer includes free tickets for your students, this is a great chance to enhance connections between exciting employers and your graduates, shaping their future in the sports business. To reach out to possible students, we will also list your school information online at Sportyjob „Education" for 6 months as a bonus.
