

ÖSG - Sektion Biomechanik

Workshop/Conference for Young Scientists in Obergurgl, Tirol 17-20 Dec 2017

<https://www.uibk.ac.at/isw/oesg-workshop/>

Dear Sports Scientists,

You are cordially invited to participate in the 2017 ÖSG workshop in Obergurgl with one of the nicest skiing areas right at the doorstep. Present your research and connect with fellow Austrian and international sports scientists. We will put together an interesting program with key notes, a panel discussion, and we are looking forward to your presentation of your research.

Conference Topics:

Biomechanics, Motor control, Human movement Science, Physiology, Neurophysiology, Training Science, Sport technology ...

Fees:

The fees **include** accommodation, breakfast and dinner, but **not** travel costs, ski pass, and lunch

Student in shared room (N=3)	230*	280**
Student in double or single room	260*	310**
Non-students	330*	380**

*before June 15th, **after June 15th

Please register by September 1st.

Sports and spare time activities:

Alpine skiing, Cross country skiing, Winter hiking ...

Traveling and Location

Universitätszentrum Obergurgl
Gaisbergweg 5,
6456 Obergurgl,
Österreich
<https://www.uz-obergurgl.at/>

Sponsor area!!!
