

Themenbereich: Transport und Tourismus – Transport and Tourism (B2)

I. Individual long turn

- Compare and contrast the two pictures.
- Evaluate the public transport system in your area.
- Present your ideas on what traffic could be like in the future.

II. Paired activity

Your school is looking for a British partner school for a student exchange programme. You have to prepare a presentation to promote your area as a desirable destination.

Discuss the following ideas:

- tourist attractions
- your school's characteristics
- leisure and sports facilities
- art and culture
- shopping facilities

Decide which ideas you would include in a presentation. Agree on three.
