

Spark Social 2024

Aurora course on social innovation

Spring semester 2024 (January-May)

6 ECTS

The University of Iceland offers an Erasmus+ blended intensive course (BIP) for all students of Aurora universities in their final year of undergraduate studies or at master's level. Participants will gain increased knowledge of today's challenges while working towards joint solutions across disciplines in collaboration with leading supervisors from academia and industry.

The course combines online content, virtual sessions that take place over the semester, and a five day capstone experience on-site at the University of Iceland in May 2024. Registration is open until **31. December 2023**. Early registration is open until **10. December 2023**. Early registrants will receive confirmation of acceptance by 22. December.

- **February - May 2024: Virtual sessions**
- **13 - 17 May 2024: On-site Capstone Session**
