7th Corpora & Discourse International Conference
#CADS2024

17-19 July 2024 | Universität Innsbruck, Austria
cads2024@uibk.ac.at

Call for Papers and Posters

We are happy to announce the call for papers for the **7th Corpora & Discourse International Conference (#CADS 2024),** which will be hosted by the Universität Innsbruck, Austria, and will take place **from 17 to 19 July 2024.**

The Corpora and Discourse International Conference showcases research that combines corpus linguistics and discourse analysis in all forms and under all names. Our key objective is to bring together researchers who are interested in how discourse(s) are structured, patterned, and received and who use corpus linguistics as part of their analyses.

We are delighted to announce our confirmed **keynote speakers**:

- **Paul Baker** (Lancaster University, UK)
- **Gerlinde Mautner (**Wirtschaftsuniversität Wien, Austria)
- **Anatol Stefanowitsch** (Freie Universität Berlin, Germany)
- **Rachelle Vessey** (Carleton University, Canada)

The call for papers opens on **2 October 2023** and closes on **31 January 2024.**

We invite interested parties to submit abstracts for **research papers** and **posters** that employ corpus-assisted discourse analysis. These may include – but need not be limited to – the analysis of:

- academic and educational discourses
- cultural and cross-cultural phenomena
- scientific, technological, and medical texts
- political and media discourses
- new media, social media, and hybrid text types
- socially relevant issues
- language ideology and policy
- discourse(s) and identities
- stylistics and literary studies
- discourse(s) in language acquisition and language learning and teaching
- figurative language in discourse (e.g. metaphor, metonymy, irony)
- comparative studies of different discourse types
- discourse(s) and/or language change over different periods of time

We especially encourage abstract submissions from early-career researchers and (doctoral) students.

Please note: Research paper submissions should present research that is either completed or in progress with some substantial results. **Works in progress** that have yet to yield results may be submitted as **poster abstracts.** We welcome poster abstracts that report on innovative research in its early stages

- For paper presentations, please submit a one-page abstract (ca. 400–500 words excluding references)
- Submissions for poster presentations should be shorter (ca. 300 words)
- Research paper presentations will consist of a **20-minute talk** followed by **10 minutes for questions and discussion.**
- All research papers should be delivered in person

All abstracts should be submitted via the conference tool https://webapp.uibk.ac.at/cads2024 (see further instructions on the website). All abstracts should be **anonymised** and include **a title** and up to **five keywords.** All abstracts should be submitted as **Word documents** formatted according to **the conference style sheet,** which can be downloaded from the conference website (see below). Please format your in-text references and bibliography in Chicago Citation Style.

All abstracts will be peer-reviewed by the conference programme committee.

Key dates:

The call for papers opens on **2 October 2023.**
The deadline for abstract submission is **15 January 2024.**
Notification of acceptance (or rejection) will be sent out by **1 March 2024.**
The conference will take place from **17 to 19 July 2024.**

Registration:
Registration commences on **15 March 2024.**
The deadline for registration for those presenting their work is **1 May 2024.**
The deadline for registration for conference attendees is **1 June 2024**.
The deadline for cancellation (with a partial refund of registration fees) is **15 June 2024.**
