Dear Professor Ristov,

The Ministry of Energy, Mining and Natural Resources is honored to invite you to attend the event:

“Energy that Connects: Macedonia – Austria, Partnership for the Future”

which will take place on **31 March 2026** at the **Austrian Library at Ss. Cyril and Methodius University (UKIM)**.

The event aims to highlight the strategic importance of bilateral cooperation between North Macedonia and Austria, with a particular focus on the energy sector as a driver of economic development and stability. Your presence and contribution would be highly valuable, especially in providing an academic perspective, sharing knowledge, and presenting the role of Macedonian academic staff in international collaboration.

According to the event agenda, the planned activities include:

- Opening and moderation
- Welcome address by the Dean of the Faculty
- Speeches by the Austrian Ambassador Martin Pammer and the Minister of Energy, Mining and Natural Resources, Sanja Bozhinovska
- Presentations by representatives of EVN and MEPSO
- Your address providing the academic perspective
- Discussion and Q&A session with students

We believe that your participation will enrich the discussion and make a significant contribution to the development of academic and professional collaboration between the two countries.

Kindly confirm your attendance so that we can organize the program in a timely manner.

With respect and looking forward to your confirmation,

Ministry of Energy, Mining and Natural Resources
