

Short CV Daniela Sint

Address Department of Zoology, University of Innsbruck
Technikerstraße 25, 6020 Innsbruck, Austria

E-mail Daniela.Sint@uibk.ac.at

ORCID-ID <https://orcid.org/0000-0003-3387-4284>

web <https://www.uibk.ac.at/de/zoology/forschung/applied-animal-ecology/group-members/sint/>

Education

2006 Dr. rer. nat. (equiv. PhD), University of Innsbruck (cum laude)
Thesis: Phenotypical differentiation and interspecific competition of indigenous freshwater crayfish in Tyrol

2003 Mag. rer. nat. (equiv. MSc), University of Innsbruck (cum laude)
Thesis: Untersuchungen zur Wiederansiedlung des Edelkrebsses (*Astacus astacus*, L.) im Tristacher Seebach (Osttirol)

Research positions

Since 2020 Senior Scientist, Department of Zoology, Univ. Innsbruck; 50% position
Maternity leave 10/2020-11/2021

2013-2020 Senior Scientist, Department of Ecology, Univ. Innsbruck;
since 2019 50% position
Maternity leave 08/2018-06/2019

2008-2012 PostDoc, Department of Ecology, Univ. Innsbruck

06-10/2008 Excellentia fellowship, Univ. Innsbruck

2003-2008 Collaboration in various scientific projects Department of Ecology, Univ. Innsbruck

Main research interests

Applied zoology & animal ecology
Nucleic acid-based biomonitoring
Molecular trophic ecology

University teaching

Molecular Analysis / Metabarcoding of Trophic interactions
Applied Zoology
Monitoring in Zoology
Quantitative Techniques in Ecology
