

# Gender Research Day

At our university, scholars across various disciplines within English and American Studies approach gender from different, yet partly overlapping angles in both their research and teaching.

Our first Gender Research Day on 12 January 2024 aims to introduce various approaches to gender in cultural and literary studies, as well as linguistics.

A poster session will spotlight student projects on gender, and in a final panel discussion, we will explore possible synergies across our diverse fields.

|                       |  |
|-----------------------|--|
| 9.30 hrs – 10.45 hrs  | Introduction:<br>"Different Approaches to Gender in Literary and Cultural Studies and in Linguistics"                |
