

AURORA

Expanding Scholarly Horizons

Sustainability & Climate Change / Culture: Diversities & Identities
Educational Hub Events 2024
Blended Intensive Programme (BIP)

**Matrei /
Innsbruck**

Virtual part:
September 2024 (tbc)
November 2024 (tbc)

Physical part:
20-25 October 2024

Join us for a one-week retreat designed for established scholars:

- Foster interdisciplinary connections across Aurora Educational Hubs and Universities.
- Collaborate on shared projects and hone communication skills for a broad audience.
- Present and discuss your research.

Focus on Exchange and Peer Learning:

- Engage in peer learning with staff, including experts in science communication.
- Share your knowledge and competences.
- Receive valuable feedback from students from parallel BIP “Rising Voices: Emerging Scholars Forum”.

We welcome applications from teams of researchers who have applied for a 2024 Aurora Research Collaboration.

Apply now to secure your place at the forefront of collaborative advancement!

Access the registration form and further information by scanning the QR code.
