### Selection criteria

For the purposes of this selection procedure, enrolment at the University of Trento is a preferential qualification: therefore, priority will be given to applicants from the University of Trento who will be assessed and ranked. Upon a merely residual basis, if the number of 10 available places is not reached, applications from Master students who are resident in the Autonomous Province of Trento and enrolled at other Universities (Italian or foreign) will be considered, assessed and ranked until all available places are filled.

Applications will be assessed and ranked according to the following criteria:

- Bachelor’s degree final grade<sup>1</sup>:

Final grade	Points
110 – 110 cum laude	4
106 -109	3
100- 105	2
Up to 99	1

<sup>1</sup> If the BA Degree does not envisage a final grade, the average grade of the exams passed during the completed degree programme will be taken into account. For any final grade or average obtained abroad, it is compulsory for applicants to specify the corresponding grades of the Italian university system.

Or, for students of single-cycle Master's Degrees:

- Average grade of exams (single-cycle Master's degree)<sup>2</sup>:

Grade	Points
28/30 - 30/30	4
26/30 – 27,9/30	3
24/30 – 25,9/30	2
Up to 23,9/30	1

- For each successful exam in the Bachelor's degree and/or Master's degree or single-cycle degree with a clear reference to the European Union: 0.5 points (up to a max. of 4 points).

*(The clear reference to the European Union must result from either the title of the individual examination/seminar or from an official course description. If this does not result from the title and no official description is attached, the course or seminar will not be considered by the selection board).*

- Traineeships and/or professional and/or training experiences in connection with European/international institutions and/or within the framework of EU programmes and/or projects (e.g. Erasmus): 0.2 points per week for periods of at least 4 consecutive weeks (up to a max. of 4 points)
- Any knowledge level of the English language higher than B2, duly proven by an officially recognised certification (Cambridge, IELTS, TOEFL, Centro Linguistico di Ateneo), to be attached to the application form: 0.5 points.
- At the end of the assessment phases, in the case of applicants with the same score, priority shall be given to the younger candidate.
