

ELECTRONIC PUBLICATION OF HABILITATION THESES

Information sheet for habilitation candidates of the University of Innsbruck

Version: November 2023, v.03

While the upload of your habilitation thesis to the repository of the University is optional, the University of Innsbruck highly encourages it in the light of its [Open Access Policy](#). On the one hand, this makes your habilitation thesis accessible to scientists and researcher as well as an interested public worldwide.

On the other hand, your habilitation thesis will be archived long term, receives a stable and citable internet address, and can be found in the library catalogue and via international search engines.

The institutional repository for publications **ULB : Dok** is available at <https://ulb-dok.uibk.ac.at/>

You can find more information on **Open Access** at the University of Innsbruck here: <https://www.uibk.ac.at/open-access/>

Upload and Contact

For questions about the upload as well as on legal aspects of the electronic publication of the habilitation thesis, please contact:

Open Access Contact Point

University and State Library of Tyrol, Digital Services Department

Dr. Barbara Laner
