

08:00-08:15 SFB-F44: Jörg Striessnig  
***Introduction, 3<sup>rd</sup> year activities, time schedule for extension proposal***

***Progress reports of individual projects and outlook for 2<sup>nd</sup> funding period***

08:15-08:35 PP02: Jörg Striessnig  
***Role of Cav1.2 and Cav1.3 Ca<sub>2+</sub>-channels for Parkinson's Disease***

08:35-08:55 PP04: Gregor Wenning, Nadia Stefanova  
***Functional read-outs and novel interventional targets in a transgenic MSA model***

08:55-09:15 PP05: Christian Humpel, Josef Marksteiner  
***Signaling role of L-type Ca<sub>2+</sub> channels in reactive astroglia in CNS disease***

***Coffee break***

09:45-10:05 PP06: Bernhard Flucher, Gerald Obermair  
***Cav1.3 signaling complexes and epigenetic mechanisms induced by Ca<sub>2+</sub> channel to nucleus signaling***

10:05-10:25 PP08: Alexandra Lusser  
***Chromatin remodeling in neurogenesis and neurological disease***

10:25-10:45 PP10: Nicolas Singewald  
***Epigenetic mechanisms in aberrant memory regulation***

10:45-11:05 PP11: Alexander Hüttenhofer  
***Identification of regulatory ncRNAs in chronic CNS disorders***

11:05-11:25 PP12: Birgit Liss  
***Functional role of L-type Ca<sub>2+</sub>-channels in dopaminergic midbrain neurons in health and disease states***

***Lunch break (Restaurant "Der Grieche", Innrain 38, Innsbruck)***

13:00-14:00 Poster Presentation by co-funded Projects

14:20-14:40 PP13: Ludwig Aigner  
***The role of L-type Ca<sub>2+</sub> channels in adult neurogenesis***

14:40-15:00 New Project: Georg Dechant  
***Function of the Chromatin Organizer Satb2 in Aging and Neuronal Pathophysiology***

15:00-15:20 New Project: Francesco Ferraguti  
***Amygdala Inhibitory Circuits in the Regulation of Anxiety-related Behaviours in Health and Disease***

15:20-15:40 SFB-F44: Jörg Striessnig  
***2<sup>nd</sup> funding period – proposed strategy***

***Coffee break***

16:00-17:00 **Discussion of SFB-F44 PIs and co-PIs with Advisory Board Members**

**CELL SIGNALING IN CHRONIC CNS DISORDERS**

**3<sup>rd</sup> Annual Meeting**

March 21<sup>st</sup>, 2014, MZA Lecture Hall, ground floor, University Hospital of Innsbruck, Austria

**Lunch @ Restaurant**

**„Der Grieche“,**

Innrain 38, Innsbruck
