

10<sup>th</sup> Lunch Discussion Meeting, September 8<sup>th</sup>, 2015

Teamwork:

SFB-44 young members divide into four teams and use this lunch-discussion meeting to collaborate in planning a future discussion session.

- Teams are briefed and move to separate work stations.
- Each team dedicates to a project: search information, organize a topic discussion, prepare discussion guidelines, handouts, visuals etc... This material will be used by each team to moderate one lunch-discussion meeting (see also lunch discussion on April 21<sup>st</sup> “targets and strategies for 2015”).
- The session concludes with a debriefing where short reports and strategies to finalize projects are discussed.

Four discussion topics are being prepared: How to write a review (Team Ortner), Time management (Team Seitter), Team work & conflict management (team III - leader to be re-designated), How to give a talk (Team Mastrolia).
