

Lunch Discussion Meeting 08-09-2015

(23 participants)

Topic of discussion: „**How to give a talk**“

- In this session, presentations, coordination and handouts of summary/guidelines were provided by **Vincenzo Mastrolia, Giulia Negro, Alexandra Pinggera and Bruno Benedetti**.
- The main session focused on I. “How should a good presentation look like” II. “How should a good presenter look like and how should he behave”, III. “Strategies of rehearsal & how to decrease stress”. Comments and questions were addressed in open discussion throughout the session with active engagement of most of the audience.
- In a following workshop-session, a demonstrative short talk was presented by AP and GN. SFB-lunch members engaged in analyzing presentation layout and presenter’s performance detecting where rules of good presentation had been violated and providing feedback and corrections on the base of the earlier presented guidelines.

Most of the SFB-lunch participants lively engaged in today’s discussion and positive feedbacks were provided at the end of the Lunch-discussion meeting.
