Challenge“ ein zum

Gastvortrag von

Prof. Dr. Achille Varzi

(Department of Philosophy, Columbia University, New York)

Nature and Identity of Material Objects

Donnerstag, 11. 01. 2007, 18.00 Uhr s.t., SR VII, Karl Rahner Platz 3

Achille Varzi is Professor of Philosophy at Columbia University, New York (USA). A graduate of the University of Trento (Italy), he received his Ph.D. in philosophy from the University of Toronto (Canada). His main research interests are in logic and metaphysics. He is editor of *The Journal of Philosophy*, a subject editor of the *Stanford Encyclopedia of Philosophy*. His most recent publications include *Insurmountable Simplicities. Thirty-nine Philosophical Conundrums* (with Roberto Casati), New York 2006 and *Ontologia [Ontology]*, Rome 2005.
