

New Threats, New Methods, New Norms: Current Developments in Cybersecurity Theory and Law

1st Annual Workshop of the European Repository on Cyber Incidents

11-12 May 2023 University of Innsbruck, Austria
hosted by the Department of Theory and Future of Law

Thursday, 11 May 2023

19:00 Conference Dinner, Gasthaus Anich, Anichstraße 15, 6020 Innsbruck

Friday, 12 May 2023

Location: "UNO-Saal", Innrain 52, 2nd floor, 6020 Innsbruck, Austria

8:30 Check-in

9:00 *Welcome:*
Matthias C. Kettemann, University of Innsbruck/EuRepoC
Sebastian Harnisch, University of Heidelberg/EuRepoC

9:15 *Opening keynote:*
Regine Grienberger, German Cyber Ambassador,
Federal Foreign Office of Germany (online)

9:30 **Panel I: Who is attacking, who is defending?
Developing norms for private and public actors in
cybersecurity**

Chair:
Sebastian Harnisch, University of Heidelberg/EuRepoC

Inputs by:
Kerstin Zettl-Schabath, University of Heidelberg/EuRepoC
Andy Garth, ESET

Reflections:
Tobias Liebetrau, University of Copenhagen

10:45 Coffee and conversation

11:00 Panel II: Did the law win? Experiences with “Europeanizing” attribution regimes

Chair:

Matthias C. Kettemann, University of Innsbruck/EuRepoC

Inputs:

Annegret Bendiek, German Institute for International and Security Affairs (SWP)/
EuRepoC

Joanna Kulesza, University of Łódź

Reflections:

Antonio Segura Serrano, University of Granada

12:15 Lunch break

13:15 Critical methods afternoon: Evolving the contributions of interdisciplinary cyber conflict data to awareness and accountability

Chair:

Annegret Bendiek, German Institute for International and Security Affairs (SWP)/
EuRepoC

Input:

Martin Müller, University of Innsbruck/EuRepoC

Reflections:

Lise Andersen, Leiden University

Tyron Christopher Wangard, Cyber and Information Domain Service, Bundeswehr

Andrea Salvi, EU Institute for Security Studies (online)

14:45 Defend and disrupt: Capturing the operational dimension of state responses to malicious cyber activity (Critical methods afternoon II)

Chair:

Mika Kerttunen, Cyber Policy Institute/EuRepoC

Input:

Jakob Bund, German Institute for International and Security Affairs (SWP)/EuRepoC

Reflections:

Alexander Martin, The Record (TBC)

Piret Pernik, NATO Cooperative Cyber Defence Centre of Excellence

Louise Marie Hurel, Royal United Services Institute

16:15 *Final comments:*

Sebastian Harnisch, University of Heidelberg/EuRepoC

16:30 End of conference
