Aural quotations

Please send audio files to be used as aural quotations **in mp3 format**.

Audio-files can be created, for instance, with freeware programs like **Audacity** (<http://www.audacityteam.org/download>, available for almost all operating systems), or **No23 Recorder** ([http://www.no23.de/no23web/MP3 OGG Aufnahme Player Download.aspx](http://www.no23.de/no23web/MP3_OGG_Aufnahme_Player_Download.aspx), only for Windows).

To send audio files it might be advisable to use filehosting services like **Dropbox** (<https://www.dropbox.com/>) or **Wetransfer** (<https://www.wetransfer.com/>).
