

# 2<sup>nd</sup> announcement

## XVII<sup>th</sup> Symposium on Atomic, Cluster and Surface Physics 2010

The 17<sup>th</sup> SASP is coming closer and we want to inform you about the upcoming deadlines and give you some information on the conference. All information can be found on the conference webpage:

<http://www.uibk.ac.at/ionen-angewandte-physik/tagungen/sasp10/>

Email: SASP-2010@uibk.ac.at

### Deadlines:

Oct. 1, 2009: Early-bird-Payment Deadline

Oct. 1, 2009: Submission of Abstracts Deadline

Oct 31, 2009: Registration Deadline

### Scientific Program

There will be 20 and 30 min invited expert **lectures** covering recent advances in the topics of the Symposium and in addition a couple of plenary talks giving reviews on wider aspects within the symposium theme. The list of the confirmed invited speakers is available on the conference webpage.

**Contributed papers** will be presented in two **poster sessions**. These poster sessions provide the main forum for presentation of new work and for discussion of recent progress. Prior to the official poster sessions there will be introductory sessions, which will give the authors of each contributed paper the opportunity to present orally highlights of their work presented on the poster in a **one minute mini-lecture** (1 to 2 viewgraphs!).

A few of these contributions will be selected for oral presentation as **Hot Topics** (20 min lectures). The corresponding authors will be informed by the end of October.

### Conference Dates and Location

The 17<sup>th</sup> SASP will be held in the Universitätszentrum Obergurgl of the University of Innsbruck. SASP will start on the evening of January 24 (Sunday) with registration, dinner and a first evening lecture and will end on the morning of January 29, 2010 (Friday) with breakfast. The participants will be accommodated in the Universitätszentrum Obergurgl and in nearby hotels (walking distance up to 400 m to the Universitätszentrum). All presentations and the joint meals (dinner) will be organized in the Universitätszentrum. A shuttle service from and to Innsbruck will be organized at the beginning and end of the conference for the registered participants. These colleagues are asked to send their arrival and departure details as soon as possible.

### Conference, Accommodation and Transportation Fees

The **conference, accommodation and transportation fee** includes breakfast and dinner (starting with the dinner on Sunday evening and ending with the breakfast on Friday morning), the Conference Dinner, coffee breaks, transportation from and to Innsbruck and the Book of Contributions. Lunch bags (for your outdoor activities) can be booked in the Universitätszentrum for an additional charge of **6 EURO** per day on a daily basis (to be booked the afternoon before).

The fees are:

- regular participants in double rooms: EUR 700,- (early-bird: EUR 650,-)
- accompanying persons in double rooms: EUR 550,- (early-bird: EUR 500,-)
- students (2- or 3-bed rooms) with a **valid student ID card**: EUR 500,- (early-bird: EUR 450,-)
- regular participants in single rooms: EUR 850,- (early-bird: EUR 800,-)

Please note that the number of participants is limited to about 100 due to the capacity of the lecture hall available. Because of the special resort-type infrastructure in Obergurgl, registration is asked before **October 31, 2009**; for later registrations we cannot guarantee that rooms are still available in Obergurgl. **Single rooms** are still available. All incoming registrations will be handled on a first-come-first-serve basis.

**Early-Bird-Payment-Deadline: October 1, 2009.**

### Submission of Abstracts

All papers - invited, oral and poster contributions - will be published in a Book of Contributions in the conference series of the Innsbruck University Press, which will be distributed to all participants at the beginning of the Symposium. The individual camera ready contributions should not exceed 4 (four) pages including figures and references and should be produced using the template available at the Conference Homepage. The size of these pages should be **17 x 22 cm**. These abstracts may be submitted by e-mail (as attachment) or - if the files are too large - put on a server and send us the address by email. Please underline the name of the (talk or poster) presenter.

#### Deadline for abstract submission

The abstracts must be received by the local organizing committee (email address: SASP-2010@uibk.ac.at) **before October 1, 2009**.

We hope to see you in Obergurgl!

#### International Scientific Committee:

Davide Bassi, Università degli Studi di Trento

Tom Rizzo, EPFL Lausanne

Tilman D. Märk, Leopold Franzens Universität Innsbruck

Martin Quack, Eidgenössische Technische Hochschule Zürich

Paul Scheier, Leopold Franzens Universität Innsbruck

#### Local Organizing Committee:

*Institut für Ionenphysik und Angewandte Physik, Leopold Franzens Universität Innsbruck*

Paul Scheier (Chairperson)

Artraud Bacher, Alexander Kendl, Tilman D. Märk, Irene Milewski, Renate Rödiger
