**SIXTEENTH INTERNATIONAL  
WORKING SEMINAR  
ON  
PRODUCTION ECONOMICS  
MARCH 1-5, 2010  
INNSBRUCK  
AUSTRIA**

**The Seminar Objective**

The purpose of this seminar is to provide an opportunity for research scientists and practitioners to meet, present and develop their ideas on subjects within the field of Production Economics. Papers submitted will be distributed to all participants in advance. A discussant will be appointed for each paper. The intention is, that models and methods presented, and the discussion of them, will result in concrete ideas for future research and developments in this area. Participants of the Seminar are expected to act as discussants within their field of expertise.

**Call for abstracts**

Participants, who wish to present papers, are requested to send an abstract not exceeding 250 words, to the Programme Committee by **November 1, 2009** at the latest (by email to robert@grubbstrom.com). The conference language is English. Acceptance of abstracts will be notified to authors by ca December 1, 2009. The number of participants will be limited.

*The Seminar is a Working Seminar intending to provide ample opportunities for interaction between Authors, Discussants and Audience. Participants are therefore recommended to join the sessions of the seminar for at least three of the four days.*

*By submitting an abstract authors implicitly agree to have their paper published in the Seminar Proceedings, which means that their paper has not been published nor is intended to be published elsewhere.*

Full papers should be submitted by **January 15, 2010**, in order to be included in the Pre-Prints.

Papers presented will be reviewed after the seminar. Accepted papers will be printed in proceedings issues of the *International Journal of Production Economics* by Elsevier, Amsterdam.

**Seminar location**
