

love ART

WOULD YOU...

- like to work in a gallery?
- love to explore art & design abroad?
- like to learn about event organisation?
- enjoy working in a young, motivated team?

We offer an internship in the Art Gallery ABA Art Contemporani

JOB PROFILE

ABA art is searching for a trainee who will be a full member of the team and participate in all tasks in the gallery, from basic to the more strategic ones. The internship will give you an insight of working in a gallery and company in a foreign country and a very interesting cultural town, Palma de Mallorca. Besides the routine tasks there will be space to develop your own projects within the gallery.

Main tasks are: welcoming visitors, communicating with artists, preparing and displaying art exhibitions, preparing press releases, maintaining the database, maintaining the homepage, installing and moving art work, working on interesting and important art projects outside of the gallery, etc.

Start: 15th August 2009

Duration: 6-9 months

It is not compulsory, but we recommend the intern to apply for a scholarship within the Leonardo Program, as the internship is unpaid. For more information please see the website:
