

# Introductory Course on Ultracold Quantum Gases

Innsbruck, 09-11 July 2013, including a colloquium of the Innsbruck-Vienna SFB “Foundations and Applications of Quantum Science (FoQuS)”.

Organizers: Rudolf Grimm (Univ. Innsbruck and IQOQI) and Gabriel Ferrari (BEC Center, Trento)

Secretary: Nicole Jorda, [sp-physik@uibk.ac.at](mailto:sp-physik@uibk.ac.at)

## Application form (to be sent by 15 June 2013)

Surname:

First name:

Home address:

E-mail address:

University:

Begin of physics studies:  
year

BSc degree:

date or expected date, if applicable,  
otherwise give date of pre-diploma or other exams

Name of recommending professor:

arrange for a recommendation letter to be sent to  
[sp-physik@uibk.ac.at](mailto:sp-physik@uibk.ac.at) by **15 June 2013**

Diploma or Master thesis:

starting date or expected starting date

Travel support requested:

maximum of 200€ available for each external participant

yes

no

Departure date: (default is Friday, 12 July):

arrival date is **Mon, 8 July** for all external participants

Date and signature:

Please send your application to the

Innsbruck Physics Research Center, Univ. of Innsbruck, Attn.: Ms. Nicole Jorda

mailto: [sp-physik@uibk.ac.at](mailto:sp-physik@uibk.ac.at) or fax: +43 512 507 52492
