

## **Julika Knapp (geb. Post)**

### **Selected Publications before October 2009**

- Post, Julika, Luigi Petta, Annika Kramer, and Ismail Al Baz 2008: EMWater Guide and Recommendations on Wastewater Treatment and Reuse, in: Al Baz, Ismail; Otterpohl, Ralf; Wendland, Claudia (Eds.): Efficient Management of Wastewater Its Treatment and Reuse in Water Scarce Countries, Springer 2008
- Post, Julika 2006: Wastewater Treatment and Reuse in Jordan, Palestine, Lebanon and Turkey, in Water 21, June 2006
- Henzler, Mikael and Julika Post 2003: Technical Solutions for Mechanical-Biological Waste Treatment, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Mechanical-Biological Waste Treatment. Berlin.
- Kahlenborn, Walter and Julika Post 2003: Legal Framework for Mechanical-Biological Waste Treatment, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Mechanical-Biological Waste Treatment. Berlin.
- Henzler, Mikael and Julika Post 2003: Technical Solutions for the Utilisation of Biomass, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Biomass Utilisation - Incineration, Production of Biogas, Composting. Berlin.
- Henzler, Mikael and Julika Post 2003: Waste Incineration in Germany, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Waste Incineration. Berlin.
- Kahlenborn, Walter and Julika Post 2003: Waste Incineration Legislation in Germany, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Waste Incineration. Berlin.
- Henzler, Mikael and Julika Post 2003: Technical Processes of Waste Incineration, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Waste Incineration. Berlin.
- Kahlenborn, Walter and Julika Post 2003: Statutory Regulations for Biomedical and Health-Care Waste Disposal, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Sewage Sludge Reuse and Disposal. Berlin.
- Henzler, Mikael and Julika Post 2003: Technical Solutions for Biomedical and Health-Care Waste Management, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Medical Waste Management. Berlin.
- Henzler, Mikael and Julika Post 2003: Technical Solutions for the Treatment of Municipal Waste Water, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Municipal Waste Water Treatment. Berlin.
- Henzler, Mikael and Julika Post 2003: Technical Solutions for the Industrial Waste Water Treatment, in: Federal Environmental Agency (ed.): Cleaner Production Germany, Industrial Waste Water Treatment. Berlin.
- Post, Julika 2002: Wassermanagement in einer semiariden Region in Chile - Studie über die Wasserressourcen, die Trinkwasserversorgung und die Bewässerung in der Gemeinde Río Hurtado in der IV. Region Chiles. NGO El Canelo de Nos, Santiago de Chile, Municipal Administration of Río Hurtado. Chile.
- Post, Julika 2001: Phosphorentfernung aus Oberflächenwasser durch die Verfahrenskombination Fällung / Flockung / Membranfiltration. Diplomarbeit. Technische Universität Berlin, Institut für Umweltverfahrenstechnik. Berlin.
- Post, Julika 1999: Separation of Mixed Plastics (PET/PVC) Using Flotation. Research Project. University of Nottingham, Faculty of Engineering, School of Chemical, Environmental and Mining Engineering. Nottingham. Great Britain.
