The legally binding versions are found in the University of Innsbruck Bulletins (in German).

Principal version published in the University of Innsbruck Bulletin of 2 April 2015, Issue 19, No. 324

Modification published in the University of Innsbruck Bulletin of 5 February 2018, Issue 11, No. 183

Complete version from 5 February 2018

Curriculum of the Continuing Education Programme of
Marketing
at the University of Innsbruck

§ 1 Qualification Profile

- (1) Graduates of this course have a command of the established approaches and tools of marketing and are able to apply them in a success-orientated way in businesses of different branches and sizes. They understand the relations of marketing with other business disciplines and between long-term strategic decisions and their operative implementation.
- (2) Graduates are thus able to work in and contribute to the following business fields: innovation or new product development, strategic positioning of products/services to business units or businesses, business or product communication resp., product and range management, marketing controlling, distribution, personal sale, market research.
- (3) This continuing education programme is held in cooperation with Schloss Hofen Wissenschafts- und Weiterbildungs-Gesellschaft mbH, Lochau.

§ 2 Scope and Duration

- (1) The Continuing Education Programme of Marketing covers 66 ECTS-Credits.
- (2) The continuing education programme is a part-time study course and has a duration of three semesters.

§ 3 Admission

- (1) Admission to this continuing education programme requires a secondary school leaving certificate or a qualified professional training. Additionally several years of relevant professional experience are assumed.
- (2) Persons with a completed apprenticeship or a finished technical or vocational school education (BMS) have to give evidence of at least five years of relevant professional experience.
- (3) Persons having passed a secondary academic school or a technical or vocational college (AHS or BHS) have to give evidence of at least three years of relevant professional experience.

§ 4 Admission Procedure

- (1) For being admitted to the continuing education programme, the applicants must successfully pass an admission process. The final decision on the admission to the course is made by the rectorate, based on a recommendation of the course director.
- (2) Information on the compulsory selection process is published on the website of the University of Innsbruck and the cooperation partner respectively. The maximum number of participants is to be set by the course director considering pedagogical and organizational aspects and in compliance with the cost budget.
- (3) Participants, who have been accepted and have paid their tuition fee, are admitted as non-degree students to the University of Innsbruck.

§ 5 Types of Courses

- (1) Courses without continuous performance assessment:
 1. Lectures (VO) are courses held in lecture format. They introduce the research areas, methods and schools of thought for a given subject.
 2. Working groups (AG) serve to treat a topic in collective fashion, examining the theories, methods and techniques of an area using group work.
- (2) Courses with continuous performance assessment:
 1. Introductory seminars (PS) introduce students interactively to scientific literature through the treatment of selected issues. They convey knowledge and methods of academic work.
 2. Practical courses (UE) focus on the practical treatment of concrete scientific tasks within an area.
 3. Seminars (SE) provide in-depth treatment of scientific topics through students' presentations and discussion thereof.
 4. Lectures with practical elements (VU) focus on the practical treatment of concrete scientific tasks that are discussed during the lecture parts of the course.

§ 6 Compulsory and Elective Modules

- (1) The following compulsory modules covering 53.5 ECTS-Credits have to be passed:

	<p>Prerequisites: none</p>

§ 7 Final Thesis

- (1) For the continuing education programme a final thesis on a theme of the area of marketing must be written.
- (2) Students are entitled to suggest the theme for their final thesis or to select it from a number of suggestions.
- (3) The final thesis corresponds to 10 ECTS-Credits.
- (4) Participants have to file a request at the course director's for an available course lecturer as supervisor as well as for the theme. The request is deemed accepted if the course director expressly accepts it or does not veto it within a month.
- (5) For submitting the final thesis to the course director all compulsory and elective modules must have been positively evaluated.
- (6) The final thesis is evaluated by the supervisor.

§ 8 Examination Regulations

- (1) Modules, with the exception of the module acc. to §6 para. 1 No. 10 are assessed by course examinations. Course examinations are
 1. examinations that assess the knowledge and skills covered in an individual course, in which course assessment is based on a single examination at the end of the course.
 2. courses with continuous performance assessment, where the performance of the students is evaluated by regular written and/or oral contributions.
- (2) The course lecturers must specify and announce the aims, contents and methods of their course, as well as the contents, methods and evaluation criteria used for the course examination in a suitable fashion at the start of the semester.
- (3) The assessment of the module according to § 6 para. 1 No. 10 shall take place in form of an oral examination in front of an examination board of three examiners.
- (4) Module examinations are examinations that assess the knowledge and skills acquired in a module. A module is completed by the positive evaluation of all parts of the respective module examination.

§ 9 Academic Title

Having received positive evaluation for all required examinations and the final thesis, graduates of the continuing education programme are awarded the title of "Akademische Marketerin" resp. "Akademischer Marketer".

§ 10 Coming into Force

- (1) This curriculum comes into force one month after its announcement.
- (2) The changes of the curriculum in the version of the University of Innsbruck Bulletin of 5 February 2018, Issue 11, No. 183 come into force on 1 October 2018 and are to be applied to all students.

For the Curriculum Committee:

Ass.-Prof. Dr. Heike Welte

For the Senate:

Univ.-Prof. Dr. Ivo Hajnal
